

# BAU Research Databases

Through a partnership with Bahçeşehir University (BAU), BI students and faculty members have access to dozens of research databases.

BAU databases are indexed in [DBIS](#).

## Searching all BAU holdings at once with a discovery system

When searching [BAU databases](#), the best place to start is [BAU Academic Search](#) (discovery system). This portal allows you to search the contents of all BAU databases<sup>1</sup> at once, plus the eBook collections of BAU Libraries.

Don't forget: to access BAU databases, you will need your BI OIS credentials.
